

Careers Bulletin

January 2019

Hello, and welcome to the Careers Bulletin for Totton College. An opportunity to find out about careers related events, useful websites and contact details for the team.

This month is a generic compilation of some of the current resources at Totton College.

Hi, my name is Jon Kingsbury and I am currently responsible for delivering IAG (Information, Advice and Guidance) to 16-18 year old students. I can be found in the Employability hub, where I am based Monday-Friday from 9am-5pm (Term time only).

Students can book in appointments at reception – or contact me at jkingsbury@totton.ac.uk

Careers Context – What is happening at the moment?

Good career guidance is critical if young people are to raise their aspirations and capitalise on the opportunities available to them. In 2013 Gatsby commissioned Sir John Holman to research what pragmatic actions could improve career guidance in England and subsequently he developed the Good Career Guidance Benchmarks.

The eight Gatsby benchmarks of Good Career Guidance;

- 1. A stable careers programme***
- 2. Learning from career and labour market information***
- 3. Addressing the needs of each pupil***
- 4. Linking curriculum learning to careers***
- 5. Encounters with employers and employees***
- 6. Experiences of workplaces***
- 7. Encounters with further and higher education***
- 8. Personal guidance***

Local Offer

Every local authority must publish a **Local Offer**. The **Local Offer** tells you what support the **local authority** expects to be available for children and young people with special educational needs (SEN) and/or disabilities. It must include information about education, health and care provision.

This is definitely worth signposting to parents and young people:
